Mayor Myron Dyck advised that the Winnipeg Metro Region Board met with Honorable Ian Bushie (Minister of Municipal and Northern Relations) at the end of September, and had a chance to bring all the questions and concerns forward from the meeting. The legislation is ongoing, and the Board and Councils are waiting to see what the legislation will be before they make their decision. The WMR Board is currently “on stand down” as they are also waiting to hear what the legislation will be. Because the details are unknown, Councils are unsure how to respond.
