# On Collection Day these regulations must be followed:

**Prepare It:** All acceptable recyclable materials must fit into the container and the lid **must** close or the recycling cart will not be emptied. No extra material will be collected. Do not jam or pack items into your cart. Items must fall freely from the cart into the truck.

**Place It:** Place your cart on the street with the wheels against the curb, with **at least 3 feet of clearance** between the cart and any obstacles. If you do not have a curb, place just off the roadway on the shoulder. **Carts MUST be out by 8:00 a.m. on your collection day.**

**Park It:** By 11:59 p.m. on your collection day, your cart must be removed from the street and returned to its storage location near your building.

If in doubt as to whether an item is acceptable and for full details, please visit the Waste & Recycling page on [www.wheretheyoubelong.ca](http://www.wheretheyoubelong.ca).
