

## Reminder: Property Taxes are Due Friday, September 27th, 2024

Please be aware that all property tax payments must be received in the Town Office, 329 Bronstone Drive, Niverville by **5 p.m. on Friday, September 27th, 2024**. Cheques may be post-dated to the due date but must be received by the Town Office on or before September 27th, 2024 by 5 p.m., or they will be considered late and will be subject to a penalty. Receipts may be emailed upon request or picked up at the Town Office.

All taxes remaining subsequently unpaid are subject by law to a penalty of 1.25% per month (compounded annually). **Statements currently showing arrears will have additional penalties.** Call the Town Office or log into your eServices account before your payment is made to ensure that you have the correct balance. Note that penalties are posted on the first of every month. Please allow 3 business days for bank processing.

Cheques or money orders should be made payable to the "Town of Niverville". Visit [www.whereyoubelong.ca](http://www.whereyoubelong.ca) for the various payment options available to you.

If you did not receive a property tax bill, please feel free to contact the Town Office for a copy.

## Don't Cut the Bulrushes!

The Town has recently received inquiries regarding the destruction of bulrushes planted on the shoreline of retention ponds.

These bulrushes were planted as a cost-effective, environmentally friendly, low-impact way to filter retention ponds, minimize the impact of Canadian Geese, and to stabilize the shoreline.

As the bulrushes need to be healthy to be effective, the Town of Niverville would like to remind residents that it is against Town By-law No. 857-23 to damage, remove or destroy bulrushes in any way.

Unfortunately, breaching this bylaw will result in being held liable for a penalty.

If you have any concerns regarding the damaging of bulrushes, please reach out to the Town Administration Office.

## A Living Tribute to Loved Ones

In partnership with Niverville Communities in Bloom, the Niverville Memorial Forest is an annual program that provides an opportunity to commemorate the life of a loved one in a special way by planting a tree. A living tree symbolizes a new beginning and a living tribute. By planting a tree, you not only pay a significant tribute to a loved one or family pet who has passed, but you also benefit the community and the environment.

Families have the option of planting their trees in either the southwest area of Hespeler Park or the Niverville Dog Park. A memorial plaque will be placed at the base of every tree planted. Each donor is invited to help plant the tree on an annual planting day in mid-May, as well as participate in an annual dedication service that will be conducted in the Memorial Forest. Additionally, the purchase of a tree through the Niverville Memorial Forest Program is eligible for a tax donation receipt for the purchase amount less the cost of the customized plaque.

**Deadline for 2025 Planting:** Nov. 30th, 2024

**Pricing:** \$315 per tree

### Tree Species Options:

- Discovery Elm
- Prairie Horizon Alder
- Delta Hackbury
- Greenspire Linden
